

# Light entrepreneurship for higher education graduates is here.

**Invoice your work easily without your own company.**

The expertise of highly educated professionals is valuable. Paperwork, not so much. That's why Palkkioplus offers an invoicing service that handles all obligations and indirect costs for persons with a higher education. You're free to focus on your work.

Try it now! As a member, you can invoice up to 1,000 euros per year without service fees! Register at:
